# EXECUTIVE SUMMARY

**Jones Lang Lasalle Americas (Illinois), L.P. (“JLL”)** is pleased to present the exclusive opportunity to acquire 176 W North Avenue, a premier 24.25-acre development site in West Chicago, Illinois. Positioned at the high-traffic southeast corner of North Neltor Boulevard (IL Route 59) and East North Avenue (IL Route 64) and located just 3.1 miles from the West Chicago Metra Station (UP-W Line), the property represents one of the most highly visible and accessible mixed-use development opportunities in DuPage County.

The expansive property sits within the high-growth central DuPage County submarket, immediately adjacent to the nationally recognized Illinois Technology and Research Corridor along I-88. The area's dense concentration of major corporate employers and top-tier institutions, combined with convenient commuter rail access to Downtown Chicago, consistently fuels intense demand for both high-quality residential housing and regional retail uses.

The site's unique physical scale and dual-frontage exposure allow for a master-planned community that balances the natural tranquility of surrounding DuPage County forest preserves with premier commercial convenience. Supported by the City of West Chicago's planning department for higher-density residential development, a conceptual site plan has been prepared that outlines a modern, 90-unit multifamily residential neighborhood clustered on the quieter interior of the property. This is complemented by 27,080 SF of high-profile commercial space, including sit-down dining and quick-service fast-food pads, positioned adjacent to a high-traffic corner convenience store shadow-anchoring the site.

Situated at a commanding, high-traffic intersection in DuPage County, this expansive 24.25-acre infill site offers developers a rare combination of regional highway exposure and suburban transit convenience. Positioned near primary commuter rail and major airports, the property is perfectly primed for a master-planned residential, commercial, or mixed-use destination that captures strong local and regional demand.

# ZONING OVERVIEW

The Property is currently zoned B-3 (Regional Shopping District) under the City of West Chicago Zoning Ordinance. The B-3 district is traditionally designed to accommodate diverse, high-intensity commercial developments, regional shopping centers, and retail uses that leverage substantial traffic volumes along major highway corridors.

JLL believes a zoning change or Planned Development (PD) designation to allow for a comprehensive, high-density residential and retail mixed-use project is highly probable.

## Proposed Zoning Strategy

To fully unlock the site's potential, a residential or mixed-use developer would likely pursue a Planned Development (PD) zoning designation. This zoning would allow for Density & Height Flexibility for Cohesive Mixed-Use Programming. The West Chicago Planning Department was supportive of higher density residential development in conversations with JLL.

## Unrivaled Exposure at a High-Traffic Regional Intersection

The subject site commands a premier, high-visibility corner position at the signalized intersection of IL Route 59 (Neltnor Blvd) and IL Route 64 (North Ave). As two of DuPage County's most heavily traveled regional arterials, this intersection exposes the development to a combined 111,000+ vehicles daily.

## Established Retail and Dining Synergy

The site is nestled within a mature, high-performing commercial corridor. Immediate proximity to major national anchors and daily-needs retailers ensures built-in regional draw and robust consumer traffic.

- **Dominant Anchor Draw:** Directly across Neltnor Blvd from a massive Menards, capturing consistent, high-volume home-improvement shoppers.
- **Premier QSR & Dining Corridor:** Flanked by top-performing national brands including McDonald's, Starbucks, Dunkin', Popeyes, Domino's, and Wingstop.
- **Automotive & Daily Services:** Immediate synergy with essential high-frequency services like BP, Fifth Third Bank, Jiffy Lube, Everclean, and Belle Tire.
- **Regional Activity Hubs:** Benefit from excellent cross-traffic generated by nearby recreation destinations, including Slick City Action Park, Kids Empire, and Planet Fitness.

# CONCEPTUAL DEVELOPMENT PLAN

This conceptual development plan for 176 W North Avenue represents a masterfully designed, high-density mixed-use environment. The layout strategically segments the offered parcel (outlined in red) to maximize commercial value along the high-traffic corridors while preserving a quiet, transitional pocket for residential living.

The residential multifamily component is oriented along the eastern and southern portions of the site (adjacent to Woodcrest Dr), providing future residents with a neighborhood-like feel and natural buffers. While this plan conceptualizes 90 residential units, there is potential support from the city for higher density residential. Meanwhile, the high-exposure full-service restaurants and quick-service restaurant (QSR) pads are positioned to capture premium commercial traffic.

# LOCATION OVERVIEW

## West Chicago: A High-Growth Suburb with Unmatched Natural Amenities

Nestled in western DuPage County, West Chicago represents a highly desirable residential enclave that perfectly bridges modern commercial convenience with the serenity of nature. One of West Chicago's defining attributes is its seamless integration of the regional natural landscape into the fabric of the community.

Future residents at 176 W North Avenue will enjoy immediate proximity to some of the largest and most scenic open spaces in the Chicago metropolitan area. Surrounded by a "necklace" of massive DuPage County Forest Preserves, the area offers thousands of acres of protected woodlands, wetlands, and miles of multi-use trails for hiking, biking, canoeing, and outdoor recreation.

- **Pratt's Wayne Woods Forest Preserve (5 Mins):**

Spanning over 3,400 acres, this massive preserve offers extensive wetlands, fishing lakes, and miles of hiking and equestrian trails.

- **Blackwell Forest Preserve (10 Mins):**

One of DuPage County's most popular outdoor destinations, featuring boat rentals on Silver Lake, archery, camping, and scenic views from Mount Hoy.

- **West Chicago Prairie Forest Preserve (8 Mins):**

An internationally recognized sanctuary home to one of the premier prairie ecosystems in the Midwest, offering tranquil walking trails.

- **Effortless Urban Connectivity:**

While surrounded by nature, the property sits directly on IL-59 and IL-64 and is just 3.1 miles from the West Chicago Metra Station (UP-W) for a direct, stress-free commute to Downtown Chicago.

## Regional Connectivity & Economic Drivers

West Chicago sits at the heart of DuPage County, one of the most economically productive regions in the Midwest. DuPage County is home to nearly 40,000 businesses employing approximately 492,000 individuals. Positioned just north of the Illinois Technology and Research Corridor along I-88, residents enjoy effortless access to Fortune 1000 headquarters, premier research institutions, and major healthcare networks.

- **The Illinois Technology Corridor (I-88):** A national center for commercial research and development, housing regional offices and corporate headquarters for global tech, engineering, and energy leaders.
- **World-Class Research Facilities:** Proximity to both Fermi National Accelerator Laboratory (Fermilab) and Argonne National Laboratory positions the submarket as a global hub for science and technology.
- **O'Hare Corporate Corridor (30 Mins):** Easy expressway access connects residents to major regional logistics, manufacturing, and aviation hubs.

## Exceptional Public Education & Academic Programs

The Property is served by two established DuPage County public school systems: West Chicago Elementary School District #33 (PK-8) and the award-winning West Chicago Community High School District #94 (9-12). These districts are dedicated to modern educational technology, career-prep curriculums, and specialized language programs, serving as key community anchors.

### *West Chicago Community High School District #94 (Grades 9-12)*

- **College & Career Prep Curriculum:** Celebrated for its comprehensive Advanced Placement (AP) courses, 17 in total, allowing students to earn university credits before graduation.
- **State-of-the-Art STEM Programs:** Offers robust science, technology, engineering, and mathematics pathways designed to prepare students for high-demand technical careers.
- **Extensive Career & Technical Education (CTE):** Provides unique hands-on learning opportunities and local business partnerships, producing highly career-ready graduates.

### *West Chicago Elementary School District #33 (Grades PK-8)*

- **Dual-Language Immersion Program:** Renowned for its highly successful dual-language program, fostering early cognitive development and global communication skills.
- **Personalized Early-Childhood Learning:** Features a highly favorable student-to-teacher ratio of 11-to-1 (well below the state average), focusing on early-intervention literacy and math programs.
- **Modern Classroom Technology:** Integrates cutting-edge STEM tools in elementary classrooms, promoting collaborative, inquiry-based learning from an early age.

# Higher Education & Regional Demographics

The central location of 176 W North Avenue offers future residents rapid, direct access to several of the most prestigious, nationally recognized higher-education institutions in DuPage County. Combined with exceptional local household demographics, this concentration of highly educated residents supports top-of-market rental rates and long-term asset appreciation.
